

Free safety ticket training. New skills. More opportunities.

Coastal GasLink, in partnership with Northeast Native Advancing Society (NENAS), is offering two weeks of **free safety ticket and employment readiness training** in Fort St. John from November 23 to December 4, 2026.

The training is **open to status and non-status First Nations individuals living in northeastern BC** and includes safety certifications and resumé development to help participants build practical skills and prepare for future employment opportunities, including those potentially associated with Coastal GasLink Phase II.

Training and courses offered:

- Transportation Endorsement (First Aid)
- Confined Space Entry and Monitoring
- Construction Safety Training System (CSTS)
- Intermediate First Aid
- Fall Arrest Training
- Hydrogen Sulphide (H_2S) Safety Training
- Transportation of Dangerous Goods (TDG)
- Common Safety Orientation (CSO)
- Pipeline Construction Safety Training (PCST)
- Workplace Hazardous Materials Information System (WHMIS)
- Resumé development

Registration deadline:
November 13, 2026
